

## A Heritage. A Future. A Legacy.

For more than a century, investments in Michigan's Church Extension Fund (CEF) have helped make expansion of God's Kingdom possible throughout the Michigan District. CEF investors have enjoyed the knowledge that their money is serving this important purpose.

For many years now, CEF has also been helping families save for their future education expenses. Building on both of these long-standing traditions, CEF is offering a special promotional interest rate for a 5-year fixed rate note to K-12 students currently enrolled in a Michigan District Lutheran School. The Promotional fixed rate note represents a unique way for families to plan ahead in order to provide their children with a Lutheran education.

The Lutheran Education 5-Year Fixed Rate Note is a designated savings product offered by CEF for families who send their children to a Lutheran school in the Michigan District. The Lutheran Education 5-Year Note provides an incentive to invest with CEF to save for their children's Lutheran education and "Make the Priceless Possible."

Most of all, your investment facilitates an additional way that CEF can fulfill its mission to carry out the Great Commission by fostering the development of future disciples of Christ through a Lutheran education.

This is not an offer to sell or solicitation of an offer to buy CEF securities. The offering of CEF securities is made solely by our Offering Circular. CEF will offer and sell securities only in states where authorized. Investments in CEF are not insured by the FDIC, SIPC or any other governmental agency – securities are subject to certain risk factors as described in our Offering Circular.
